

SAB Foundation – Bolster Business Support

SAB Foundation is offering Bolster Business Assistance services to their entrepreneurs. This 24/7 telephonic and online service provides the companies with professional advice, discounted rates on products and services, a personal assistant on call and other basket of benefits. These services are a great extension of the support SAB Foundation offers to the entrepreneurs in South Africa.

What they say about LEAP

"The SAB Foundation aims to provide support for the entrepreneurs in our portfolio that goes beyond grant funding. Part of this ecosystem of support, is the provision of Bolster services, that has proven to be quite helpful and valuable for them based on the feedback received."
